The untapped income stream

Solicitors

Choose from a dedicated panel of national solicitor firms all competing for your business. Each selected on their ability to provide an excellent service even when dealing with high volumes. Our “red light” system tells you when a firm is close to capacity. Your feedback helps us to keep the bar consistently high.

Control

Quote and instruct at point of sale to avoid delay. Then track the progress online with “real time” case tracking, or pick up the phone and speak to the solicitors. You will also receive email notification of exchange and completion.

Value

Regardless of the chosen solicitor, your client pays a competitive fixed fee with no hidden charges. If for any reason the transaction falls through the solicitor’s fee will not be charged – “no sale no fee”

Simplicity

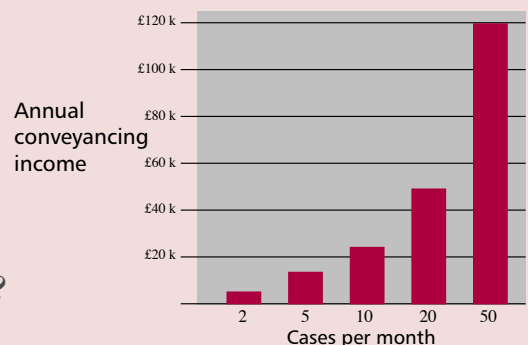

With only 2 input screens, you can quote and instruct in a matter of minutes. Simply input your client’s details, choose your solicitor and select your referral fee.

Remortgage

Specialist Remortgage Solicitors offering all inclusive fees and rapid turnaround times.

Income

Select your own referral fee on a case by case basis from £0 - £200 per sale, purchase and remortgage - meaning a total of up to £400 for a sale and purchase. BACS Payments are made weekly based on your previous week’s completions.

Are you making the most of this income stream?
